- Warm white light

## **Special characteristics**

- Flexible arm
- On/off switch on article

# PHILIPS

**Designed for your home office**

- Directed light, perfect for task lighting
- Maximum brightness to light up your workspace

# Highlights

## Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

## Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Flexible arm

Direct the light to where you really need it thanks to the flexible arm.

## On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

## Perfect for task lighting

This Philips desk lamp casts bundled light that provides even illumination on the working area.

## Maximum brightness

This Philips desk lamp is designed specifically for desk-based activities like doing homework or browsing the news on the laptop. When you switch it on it immediately provides just the right brightness for maximum comfort.
