Control with app or voice*

Smart button included

8718699695460

Easy smart lighting

Enjoy relaxing and energising scenes or create your own routines right out of the box with the Hue White ambiance E27 starter kit. Includes Hue Bridge, 3 smart bulbs that offer the full spectrum of white light and a Smart Button.

Limitless possibilities

- Get in the mood with warm to cool white smart lights
- Away-from-home smart light control
- Enjoy the right smart lighting for daily tasks
- Control lights with your voice
- Control lights with one click
- Flexible, wireless mounting

Highlights

Get in the mood

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax — no matter what time of day it is. Start your morning off on the right foot with cool, energising bright white light, or settle down for the night with golden tones.

Control lights away from home

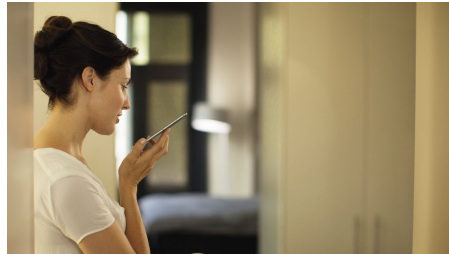

The Philips Hue app gives you complete control over your lights, even if you're not at home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Smart lighting for daily tasks

Make your day easier with four preset light scenes that have been handcrafted for your daily tasks. Two cool-toned scenes, Energise and Concentrate, help you get going in the morning and keep your focus, while the warmer scenes of Read and Relax help you enjoy a good book and a rested mind.

Control with your voice

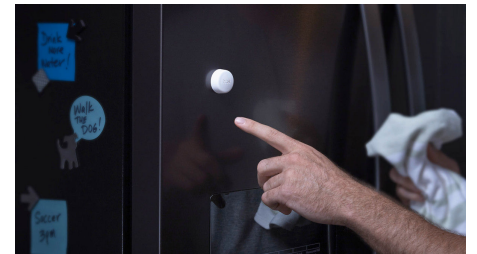

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

Control lights with one click

A single click controls your smart lights —no smartphone needed. Use one press to turn your lights on and off or press and hold the button to dim and brighten them. Already set up to do exactly what you need, the Philips Hue Smart button is ready to use wherever you need it.

Flexible, wireless mounting

With wireless technology, the Philips Hue Smart button installs in seconds anywhere in your home. Replace an existing light switch with the included mounting plate or use the mini-mount to place it on any surface. If you'd rather keep it portable, no problem: the Smart button is magnetic, so you can place it on any magnetic surface, such as the fridge.

Specifications

Lamp dimensions

- Dimensions (WxHxD): 60x110x60

Environmental

- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Power adapter included: Yes

Guarantee

- 2 years: Yes

Power consumption

- Energy efficiency label (EEL): A+

Service

- Warranty: 2 year(s)

Technical specifications

- Weight: 72
- Bulb technology: LED
- Number of bulbs: 3

The Bridge

- Frequency band: 2400–2483.5 MHz
- Max. number of accessories: 12
- Max. number of bulbs: 50
- Power adapter: 100–240 V AC / 50–60 Hz
- Power consumption: 250mA max

The bulb

- Colour temperature: 2200–6500K
- Energy efficiency label: A+
- Fitting: E27
- Form factor: A60
- Input voltage: 220V–240V
- Light output: Warm white to cool daylight
- Lumen output: 800 lm @ 4000 K
- Max. operation power: 8.5 W
- Max. standby power: <0.5 W
- Number of switching cycles: 50,000
- Power factor: 0.5
- Rated lifetime: 25,000 h
- Software upgradable: when connected to the Bluetooth app or Hue Bridge
- Start up: Instant 100% light output
- Wattage: 8.5 W
- Wattage equivalent: 60 W
- Communication protocol: Bluetooth and Zigbee
- Deep dimmable: Yes
