- Vintage design meets modern capabilities

Easy smart lighting

- Control up to 10 lights with the Bluetooth app
- Control lights with your voice*
- Set the right mood with soft white light
- Unlock the full suite of smart lighting features with the Bridge

Highlights

Control lights away from home

The Philips Hue app gives you complete control over your lights, even if you're not home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Come home with light

Set your Philips Hue app to recognize when you're nearing home. Before you even step out of your car or walk up the path, your selected smart lights turn on automatically.

Make it look like you're home

Use the Philips Hue app to schedule light routines whenever you're away. Your smart lights will turn on at the times you've selected • and sometimes a few minutes before or after • to truly mimic your presence in the house.

The Hue Bridge

The Hue Bridge is an essential component to a personal Philips Hue smart lighting system. It is the brains of the operation, communicating with both your smart light bulbs and the Hue app to ensure that everything works together. It also enables smart home automation features like scheduling routines and timers.

Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

Vintage design meets modern capabilities

Capture the popular look of Edison bulbs, featuring a distinct glowing inner coil and transparent globe, with smart filament bulbs. These smart retro-style LED bulbs combine the look and feel of simple vintage design with the power of Philips Hue smart lighting.

Control up to 10 lights with the Bluetooth app

With the Hue Bluetooth app, you can control your Hue smart lights in a single room of your home. Add up to 10 smart lights and control them all with just the touch of a button on your mobile device.

8719514404458

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Set the right mood with soft white light

Hue bulbs and light fixtures use a soft white light. Dimmable from bright daylight to low nightlights, these smart lights allow you to fill your home with just the right level of warm light when you need it.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart — away-from-home control, voice control, automated lighting, and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Specifications

Bulb dimensions

- Dimensions (WxHxD): 60x110

Design and finishing

- Color: White

Environmental

- Operational humidity: 5% <H<95% (non condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Dimmable with Hue app and switch: Yes
- Power adapter included: Yes

Guarantee

- 2 years: Yes

Light characteristics

- Color rendering index (CRI): 80

Packaging information

- EAN: 8719514404458

Service

- Warranty: 2 year(s)

Technical specifications

- Lumen output at 4000K: 1,055 lm
- Weight: 72 g
- Bulb technology: LED
- Number of bulbs: 3
- Fitting/cap: E27
- Lumen output at 2700K: 806 lm

The bridge

- Diameter: 88 mm
- Frequency band: 2400-2483.5 MHz
- Height: 26 mm
- Max. number of accessories: 12
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100-240 V AC / 50-60Hz
- Power consumption: 250mA max

The bulb

- Color temperature: 2200–6500K
- Diameter: 60 mm
- Form factor: A60
- Height: 110 mm
- Input voltage: 220V–240V
- Lifetime: 25,000 hour(s)
- Light output: Warm to cool white light
- Lumen output: 1100 lm
- Max. operation power: 8 W
- Max. standby power: 0.5 W
- Number of switching cycles: 50,000
- Power factor: 0.5
- Rated lifetime: 25,000 hour(s)
- Software upgradable: when connected to Bluetooth App or Hue Bridge
- Start up: Instant 100% light output
- Wattage: 11 W
- Wattage equivalent: 75 W
- Communication protocol: Bluetooth and Zigbee
- Deep dimmable: Yes
- Software upgradable: When connected to Bluetooth App or Hue Bridge

The switch

- Batteries included: 1 x CR2032
- IP rating: IP 20
- Lifetime: 50.000 clicks
- Max. lights per switch: 10 if not linked to Hue bridge
- Minimal battery lifetime: 2 year(s)
- Mounting options: freestanding
- Wall plate depth: 6 mm
- Wall plate height: 76 mm
- Weight including wall plate: 67 g
- Weight of switch: 37 g

What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 3
- Power adapter: 1
- Smart Button: 1
