

Zadora LED – freedom to create

Ledinaire Zadora LED

Zadora LED is a range of recessed adjustable downlights for MASTERLEDspot lamps. They come in ready-to-install KIT versions including the MASTERLEDspot MV lamp. MASTER LEDspot delivers huge energy savings and minimizes maintenance cost without compromising on brightness, enabling owners to achieve a return on their investment within one year. The adjustable version offers 30° orientation from the vertical. Both lamps deliver a flux equivalent to that of a 50 W halogen lamp. Zadora LED downlights are available in different color finishes. Maintenance is easy as the lamp can be accessed directly.

Benefits

- Easiest and cheapest way to convert from halogen luminaire to LED luminaire
- Reducing operational cost with 85% energy saving and 15 x longer lifetime compare to standard halogen based luminaire
- Direct lamp access for easy maintenance

Features

- Integrates latest LED technology
- Available in different finishes
- Improved dimmer compatibility

Application

- Hospitality
- Retail
- Offices
